

Meet IBASE Face-to-Face at ISE 2022 in Barcelona

2022 - 04 - 21

As international travel becomes safer and more convenient, ISE 2022 - the world's leading AV and systems integration exhibition, offers attendees the opportunity to meet us face to face for the first time in two years. Mark your calendars May 10-13, 2022 and stop by IBASE stand 6F500 at hall 6.

Our latest digital signage hardware solutions ranging from entry-level to 4K/8K/12 extreme performance and outdoor waterproof signage players will be showcased. We will have experts on hand to discuss your digital signage needs and how we can provide an efficient and time-to-market solution for your project. To allow sufficient time for discussion, please pre-schedule a meeting with IBASE by writing to sales@ibase.com.tw.
