WHAT OUR CUSTOMERS SAY

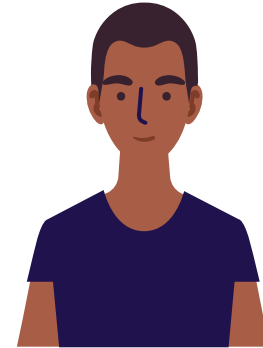

DANIEL RODDICK

Thank you very much to David and Josh for their quick and efficient work. We've had no heating on the ground floor for months - now it works!

VALE & PAUL

So pleased with the the whole job. Staff were very friendly and obliging. Would definitely recommend them.

MATT

Big thanks to Sam and the team, they worked tirelessly to replace the old system. We now have a new one and a warm house !!!.

Excellent Service

My Heatmiser underfloor heating system was not working properly. Alan and Josh came out at 6.30 p.m. on a Sunday evening at no extra cost and within an hour had sorted out the problem, reset thermostats, and corrected other matters on our system. They also explained how to deal with any future minor problems in a non too technical way. Full marks to UFH Company.
