## WIZLOGIX IS GRANTED WITH DIGITAL LEARNING TRANSFORMATION AWARD

Ten years ago, Wizlogix made the bold decision to provide training and education to those in the Singapore electronics sector. The move was inspired by the desire to transform workers' learning experiences and avoid the same circumstances that saw many SMEs shutting down their businesses during the 2008 financial crisis. On 5 May 2018, our efforts were recognised at the National Trades Union Congress (NTUC) May Day Awards 2018.

The NTUC May Day Awards acknowledges organisations and individuals who have contributed to Singapore's Labour Movement. Wizlogix is extremely honoured to be one of the companies that received the Digital Learning Transformation Award for the ULeap (Learning Enabled Through Active Participation) initiative. It was truly an unforgettable night when our Managing Director, Angeline Lee, and our Senior Business Development Manager, Charlene Phuang, went on stage at the Mediacorp MES
