

Certificate

GL Systems Certification

GL Systems Certification herewith certifies, that the company

Getriebebau NORD-Gruppe

Rudolf-Diesel-Straße 1, D-22941 Bargteheide

with the locations listed in Annex 1, 2 and 3

has established and maintains a Management System relevant for

**Engineering, construction, production,
sales and service of reducers, geared motors, electric motors,
frequency inverters and accessories.**

GL Systems Certification confirms that the Management System of the above mentioned company has been assessed and found to be in accordance with the requirements of the following standard:

ISO 9001:2008

The validity of this certificate is subject to the company applying and maintaining its Management System in accordance with the standard indicated. This will be monitored by GL Systems Certification.

The certificate is valid from July 19, 2012 until July 18, 2015
